Highland Heights Public School (PS)	*In all four concepts, the following change is proposed:* A boundary adjustment for Highland Heights PS is being proposed, in which some students currently living in the Highland Heights PS boundary would now be in the Queen Mary PS boundary. French Immersion (FI) students would attend Prince of Wales PS. The proposed boundary adjustment includes an area bounded by Wolsely Street to the north, Chemong Road to the east, Parkhill Road West to the south and Fairbairn Street to the west.
Queen Mary PS	Would become part of Kenner Collegiate Vocational Institute (CVI) family of schools.
R.F. Downey PS	*In all four concepts, the following change is proposed:* A boundary adjustment for R.F. Downey PS is being proposed, which includes the area from Towerhill Road south to Milroy Drive/Evans Drive, and from Chemong Road east to Hilliard Street. The boundary adjustment being proposed would mean that some students currently living in the R.F. Downey PS boundary would now be in the Queen Elizabeth PS boundary. Students would still attend Adam Scott CVI for secondary school. FI students would continue to attend Edmison Heights PS/Adam Scott Intermediate School.
